## Flameless Candle Scents

*Evergreens of Hampton* is the key to making your next fundraising project a huge success. We offer several options to make substantial profits for your school or organization with **absolutely no risk**.

We supply you with everything you need for a successful fundraiser. Because all of the items are pre-sold, you only order the actual number you need. If your organization pre-sells 10 flameless candles, we will deliver 10 to you. If your group generates orders for 500, that's what we deliver. No risk! **Note:** Due to today's high fuel costs, a \$20 delivery charge will apply.

We will work with you to help you develop a fundraising strategy to maximize your profitability and efficiency. We provide you with all the necessary order forms, a coordinator's worksheet, as well as helpful sales techniques.

We pride ourselves on our exceptional service and efficiency. We would be happy to meet with your school or organization to answer any questions you might have.
