

*Suggested Selling Period:
Mid-October through Mid-November*

Fundraising
Made Easy is the
Key to Your
Next Successful
Fundraiser!

Evergreens Presents Fundraising With Wreaths

Evergreens of Hampton have the key to making your next fundraising project a huge success. **Fundraising With Wreaths** is an easy way to make substantial profits for your school or organization with **absolutely no risk**. Our Wreaths are made of only the highest quality Balsam Fir.

We supply you with everything you need for a successful fundraiser. Because all of the Wreaths are pre-sold, you only order the actual amount you need. If your organization pre-sells 10 Wreaths, we will deliver 10 to you. If your group generates 500 orders, that's what we deliver. **No Risk! Note:** Due to today's high fuel cost, a \$20 delivery charge will apply.

We will work with you to help you develop a fundraising strategy to maximize your profitability and efficiency. We provide you with all the necessary order forms, a coordinator's worksheet, as well as helpful sales techniques.

A full 22 inches in diameter, our **Wreaths** are available with or without a red velvet bow. At only \$7.95 with a bow and \$7.25 without, you can easily re-sell these fresh-made wreaths for between \$12.00 and \$15.00, depending on the amount of profit you wish to generate. *(We do not recommend selling the wreaths for any more than \$15.00 to remain competitive price-wise.)*

We pride ourselves on our exceptional service. We would be happy to meet with your school or organization to answer any questions you might have.
